## *Fifth Sunday of Easter*

***Bishop's Appeal...has begun throughout the Diocese. This year, our assessment is: \$56,942.*** The Diocese of Albany is the local church to which we ALL are members and like our own human families, we ALL belong and ALL have a role to play in our Faith Family. Just like all families, we are asked to pitch in and help out, just like we would do for our loved ones, doing so in order to ensure that the work and mission of Jesus may continue, just as we do here in our own parish. Every parish is asked to share their financial blessings in order for us to reach our parish Bishop's Appeal goal. Please help us reach our goal! You may make your gift by filling out the provided pledge envelope and dropping it in the collection basket or mailing it to us. You can also make a pledge or go online and make your gift at: [www.thebishopsappeal.org](http://www.thebishopsappeal.org) Thank you for your support.

***A new way to help our Food Pantry...*** Sacred Heart is now collecting returnable bottles and cans that have the .05 deposit on them (water, soda, beer). We will be returning them to Hannaford (through Clynk it) and will use the funds to purchase needed items for our Food Pantry. ***Easy... Right?*** So feel free to drop off your cans and bottles to the Parish Center and Joe Datello will be in charge of bagging, tagging and delivering them. ***Thank you!***

### **HARK**

**Sacred Heart Faith Formation teaches  
our children that:**

***Jesus Wants Us To Eat The Bread On Sunday,  
So We Can Be The Bread On Monday***

**When God's children are in need,  
you be the one to help them out. (Romans 12:13)**

Thank you to all the Parishioners who showed this Christ like action to our Children. We collected 901 items and \$165.00, by donating to the HARK Ministry you have reached so many children of Lake George who are in need of food and school supplies. No child should go hungry or not have the proper school supplies to learn.

May God Bless You, for all your support.

*The HARK Ministry*

Our ministry meets every 3<sup>rd</sup> Wednesday 10am at the parish center, all are welcome.

### **LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

How do people know that you are a disciple of Jesus Christ? Some folks prefer to keep their faith a secret and rarely mention their belief in Jesus. Others are more vocal and readily tell people that they are Christian. For Jesus, there is another way to recognize whether one is a disciple. He tells his friends that all will know they are disciples if they have love for one another. The love to which Jesus calls us to is not just an earthly love. It's not just about doing nice things for people or even keeping positive thoughts about others. Jesus' love is divine love. Put simply, Jesus became human so that we can become divine. We are called to look at the world, people, and ourselves as God does. This requires unconditional compassion and a whole lot of mercy and forgiveness. We cannot do this alone. That is why the risen Christ remains with us, especially through the Eucharist, to help us become who he is. If done correctly, there will be no question about who has our allegiance.

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

"I give you a new commandment: love one another." With these words, Jesus sums up the law and the prophets in one concise phrase. Love one another. After 2,000 years, you'd think we'd have it figured out by now! But all too often we fail in this commandment. Perhaps we mistake "love" for mere "common decency." Perhaps we've been betrayed, or our own visions of love have been tarnished or misrepresented in our lives. Blessedly, Jesus doesn't leave us without a guide.

"As I have loved you, so you also should love one another." Jesus himself modeled what this love should look like. So what are some of the characteristics of the love of Christ? Humility, for one. St. Paul writes that Jesus "emptied Himself." In becoming man, Jesus puts aside the full splendor of the Godhead. Not only does he become human, but he takes on many of the mundane privations of human life. He spent most of his life in relative poverty - especially by our standards - as a common laborer. When he began gaining popularity as a preacher, he still traveled on foot and spent nights in other people's homes or outdoors.

Jesus' love is generous. He was always available to the crowds and to being interrupted by people in need. He invested time in his disciples and patiently taught them about the kingdom of God. The love of Jesus is also courageous. He encountered many people deemed less worthy of human respect, due to being public sinners or having a physical or mental disability. Jesus was brave in breaking these social boundaries to show care and concern to the outcast. These traits are possible for us to imitate! Indeed, we are hardly identifiable as Christians without them. "This is how all will know that you are my disciples, if you have love for one another."

## "Host Families Needed for Music Festival Musicians"

The Lake George Music Festival is searching for area homes interested in becoming "host families" for its musicians this coming August 11-23, 2019. All homes in the Lake George, Queensbury, Diamond Point, Cleverdale areas will be considered. Every August, families in the Lake George area open their homes to Lake George Music Festival musicians. Local residents who just love music and musicians, or simply want to help bring something special to Lake George are needed. Musicians are responsible for their own transportation and meals during their stay (some hosts like to invite their guests to join them for meals when possible, but this is not required). Hosts provide a place to sleep and practice. For more information, call Alex Lombard at 518-791-5089 or email [info@lakegeorgemusicfestival.com](mailto:info@lakegeorgemusicfestival.com).
