**Build Family & Faith – An Easy Idea You Can Do at Home!** The **Christian Family Movement** is a network of small groups of Catholics and their families. The program, approved by our Bishop, is designed to build faith and offer friendship and support for today's busy families. Groups meet once a month, usually in member's homes, for about 2 hours to discuss needs in their families, parish or community that have come to the attention of the members. They consider what may be done based on Gospel values, and decide on actions to address those in need. If you are interested in exploring the program for your family, please contact Meg Lindner at 518-668-2052 for a copy of Starting a CFM Group. More information is also available at [www.cfm.org](http://www.cfm.org)

**Thanksgiving Baskets... we have a new plan this year... Yes, we will be providing Thanksgiving Baskets to families in need... not sure of the total yet, but we are planning for 90 – 100 local families. Yes, we need your help in this HUGE endeavor... We have made a substantial purchase through the Regional Food Bank, but there were items that were not available: *juice, crackers, cereal, instant potatoes, chicken noodle soup and rice.* And we have a new thought on the frozen turkeys we have always asked for you to bring. **Instead of bringing turkeys to the parish center, where we store them** (in our limited space), we have made arrangements with Price Chopper for special gift cards. **These gifts cards are for \$15 each and they are alcohol and tobacco exempt. We have made arrangements to purchase 50 of these special gift cards. We will give each family one of these gift cards so that they can purchase a turkey or ham for their family. If you would like to help us supply turkeys to our families, you can purchase the cards through us. Stop by or drop a check or cash (in an envelope, marked Thanksgiving Turkey) and we will give a card on your behalf to a family in need. We hope this new plan makes it easy-peasey, for you, for our food pantry helpers and for the families who need it. Thank you!****

**The Giving Tree...tags will be available for the taking and located at the back of the church beginning November 18.** We will continue our tradition of using ornament shaped cards to identify the needed gift. **BOX** shape reflects the need of a child; **STAR** shape reflects an item for our food pantry; **CHRISTMAS TREE** shape reflects an item for our local Community Maternity Organization. Thank you in advance for returning you gift as soon as possible.

***Volunteer opportunities... Nearcare volunteers*** are needed in our community to provide non-hands on service to families of the seriously and terminally ill. Some of these illnesses could be severe arthritis, cancer, dementia, complications' from hip or knee surgery and macular degeneration. Becoming a Nearcare volunteer is similar to helping a neighbor in need by being a companion, providing respite for caregivers, running errands or taking someone to an appointment. The volunteer decides what type of service they want to provide and the amount of hours they can give, 2 hours a week or 2 hours a month is all it takes. If you would like to help someone in your community, call Monica at 518-798-6648

***The Giving Tree...tags will be available for the taking and located at the back of the church beginning November 18.
